Next Steps:

1. Please make sure to attach your **Letter of Intent** to your application.
2. Upon receiving your application form, the FunTeam Alberta office will review and reach out to set up a virtual (or in-person if possible) meeting to discuss joining the organization and the requirements for joining the organization.
 - a. During this meeting, any questions you may have about the organization can be answered. It is our recommendation that the [FunTeam Alberta FUN-damentals](#) are reviewed as these are the guidelines that FunTeam Alberta expects new groups to use when making operational and philosophical decisions. These will be discussed in detail during the meeting.
3. Upon conclusion of the virtual (or in-person meeting), the applicant will be asked to complete a Group Organizational Plan to provide a detailed breakdown of the program. This plan, along with the meeting will be the two major factors in determining if the application will be successful and a group can join the organization.
